GENERAL TERMS AND CONDITIONS

Viryl Technologies Corp. is not responsible for problems or delays resulting from customer supplied materials including lacquers, stampers, labels, jackets, etc.

It is possible to create custom colours by mixing colours together, but we cannot guarantee a perfect match.

Labels are subjected to a baking process during manufacturing that may cause slight discolouration.

Vinyl mastering requires the customer to supply vinyl-ready WAV files to mastering engineer's specifications for side A and B with a PQ sheet (track listing). If files are not vinyl-ready / mastered for vinyl, additional fees may be required.

All artwork for print materials must be submitted on the templates provided.

50% deposit to initiate order unless other terms are agreed subject to approved credit, balance plus shipping charges due following test press approval and prior to order delivery.

Over/Under runs: +/- 10% of order quantity constitutes a complete order, and actual delivered quantity will be billed.

Viryl Technologies is not responsible for inactive customer owned materials stored after 90 days.

Pricing and availability is subject to changes without notice.

Confirmation of an order with Viryl Technologies constitutes your guarantee that you own the copyright to the material to be pressed, or have the copyright owner's permission to reproduce the material.
