2. Upon Licensee doing so, Licensee shall have all the rights which are granted to, and all the obligations which are imposed upon users of a copyrighted works under the compulsory license provision in Section 115 of the Copyright Act, after phonorecords and permanent DPDs of the copyrighted works have been distributed to the public in the United States under the authority of the copyright owner, except that with respect to phonorecords and permanent DPDs thereof made and distributed hereunder:
 - a.
